## REPORTING AFTER-HOURS PHYSICAL PLANT EMERGENCIES

Call the University Heating Plant (4-4926) and give the building name and room number, your name and office telephone number, and the nature of the emergency, if it is known. This information will be relayed to the proper University service, and necessary repairs will be made.

## SUGGESTIONS FOR EMERGENCY MEDICAL HELP

1. If immediate attention is necessary, call Mary Greeley Hospital ambulance.
  - a. Give name and location of building and patient.
  - b. Try to have someone located at the building entrance to direct medical help.
  - c. For medical advice, call Student Health Service, 4-5801.
2. If patient is vomiting, turn patient on stomach so nose and throat stay clear.
3. If patient is bleeding, control by direct pressure over area.
4. One person should stay with patient so doctor may know what happened.
